

marine engine electrical wiring diagram

#### **marine engine electrical wiring pdf**

marine engine electrical wiring diagram Hello, I have a Volvo MD2 with a Bosch Dynostart. I am rewiring the engine and found that the earth terminal (31) is wired to one of the small terminals on the solenoid and the other small terminal on the solenoid has one wire going to the ignition switch and a second wire that went to the aft end of the generator, possibly to the engine block earth.
