marine engine repair Overview. This fleet and the Army's Ports of Embarkation operated
throughout the war's massive logistics in support of the worldwide operations. After
the war the Army's fleet began to resume its peacetime role and even regain the old
colors of gray hulls, white deck houses and buff trimming, masts and booms with the red,
white and blue stack rings.

marine engine repair The United States Merchant Marine refers to either United States
civilian mariners, or to U.S. civilian and federally owned merchant vessels. Both the
civilian mariners and the merchant vessels are managed by a combination of the
government and private sectors, and engage in commerce or transportation of goods and
services in and out of the navigable waters of the United States.
